

The VMGA  
Blenkinsop  
Community  
Agricultural Centre  
(BCAC) Project  
*We Grow Gardeners!*

We would like to acknowledge and give thanks to the WSÁNEĆ people on whose land we garden. They have historically utilized, cherished, and cared for this land in a sustainable manner from time immemorial and for this we are grateful.

Informational card with text and a small image, partially obscured by the sign's post.

This is the strangest soil we've ever seen in Victoria.....

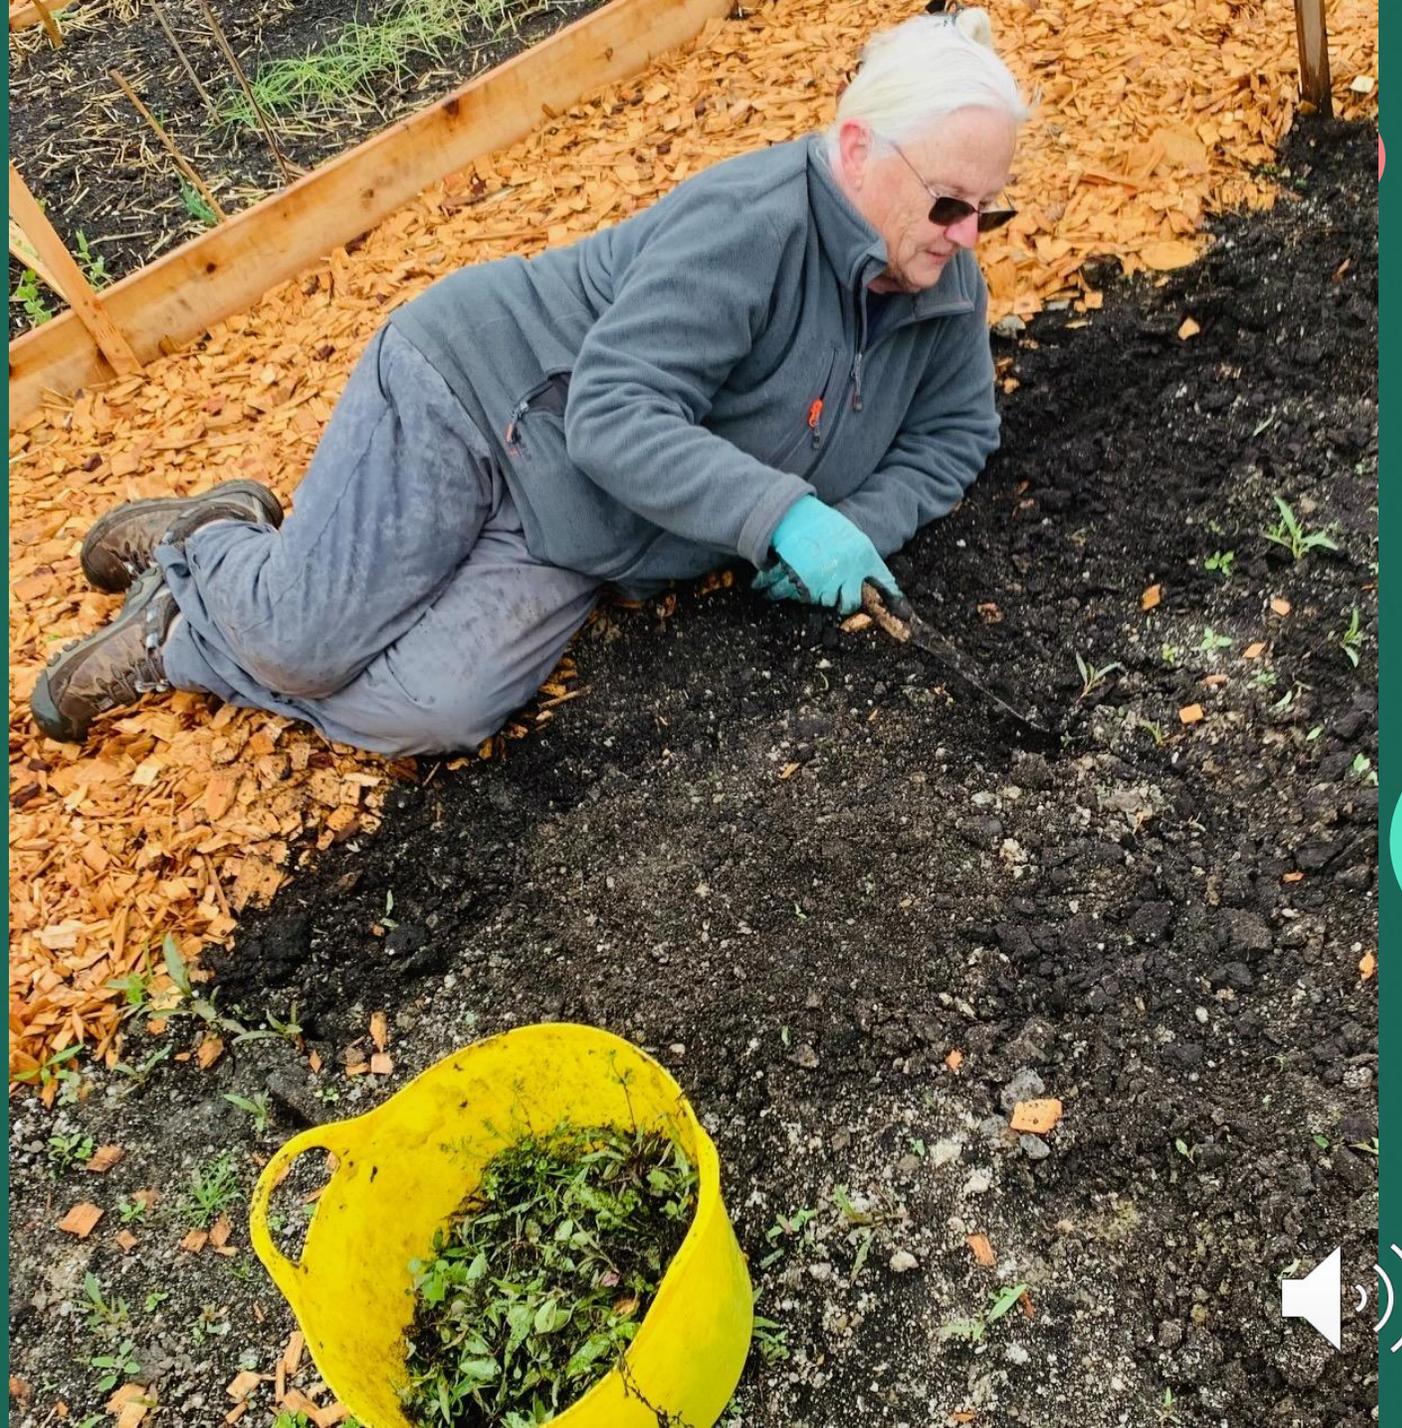

Too much water, cold temperatures, or incorrect pH?

The squash 'B-gene',  
or lack of  
micro-nutrients?

Weeds, weeds,  
everywhere!

ROMAINE CALM  
BE SAGE  
TAKE THYME  
SQUASH FEARS  
& STAY PEAS
